Services and Capabilities

A decorative graphic on the right side of the page, consisting of a green line that curves downwards and then to the right, ending in a blue diamond shape. A red line also curves downwards and then to the right, crossing the green line.

We fuel the modern enterprise through TIBCO
Connected Intelligence

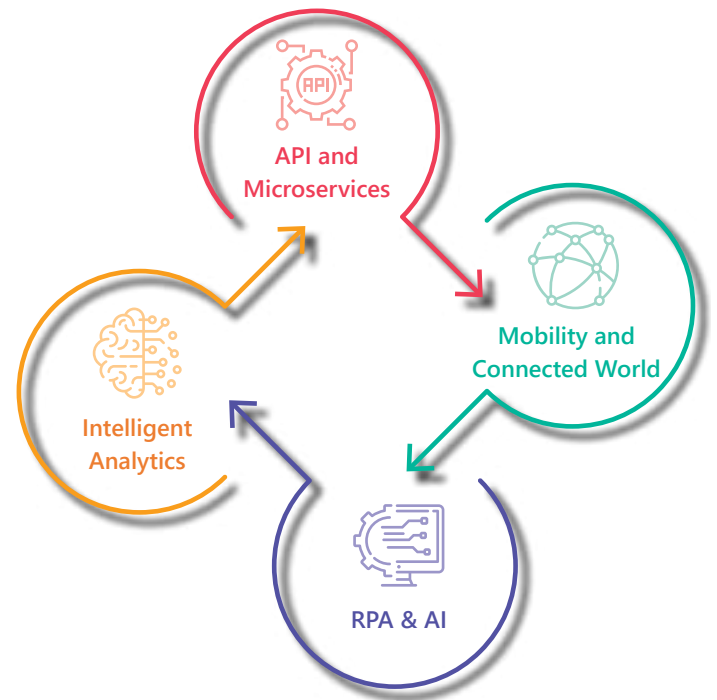

Tektree is your partner for all your technology needs. You know you need to stay ahead of the curve with the times, business tools, and expectations. We are here to help! Whether it's migrating off the paper, taking the leap into productivity apps, or simply upgrading your tech, our team is ready to discuss your plan of action! With enterprise architecture facilitating communication among teams, BPM engineering streamlined processes within departments, SOA connecting project participants, Big Data storing data in various forms to make it readily available for use, Enterprise Mobility transitioning data between multiple devices or locations using smartphones or apps, ODC eliminating paperwork using online documentation portals that are easily accessible by customers via app communication mediums like Skype, etc., We're able to cover all angles of where technology can take you!

Our Sales & Marketing Center of Excellence

TekTree Inc, Sales and Marketing teams have expertise in lead and demand generation. By following a proven sales methodology, we have been successful in generating qualified leads. Though we believe inbound marketing campaigns to be most effective, we also leverage the power of cold calling with an internal CRM tool to build a

strong relationship with the prospects, understand and cater to their business challenges and present a solution to fit their needs.

Why TekTree?

- A dedicated team on Data, Cloud, Analytics & Integration.
- Industry Solutions (Healthcare, Retail, Financial, Utility etc.)
- TIBCO Certified Pre-sales & Technical resources
- Expertise across all three pillars -Connect, Unify & Predict
